Press Announcement

Bauer Maschinen, Bauer-Pileco and Equipment Corporation of America are pleased to announce the signing of a new Master Dealer Agreement between the parties effective December 2014.

Equipment Corporation of America will continue to be an exclusive Bauer authorized Distributor, covering the NE US and Eastern Canada. The distribution agreement changes the territories slightly to improve coverage, by adding Florida and Georgia to the ECA territory. Bauer Pileco will now service and support Nebraska, Kansas and Missouri.

You can expect to be contacted by representatives of Bauer Pileco and Equipment Corporation of America in the near future to discuss this transition. In the interim, please feel free to contact Bauer Pileco @ 1-800-231-0421 or ECA @ 1-800 PILE USA (1-800-745-3872).

The Bauer family of companies along with Equipment Corporation of America has been supporting the foundation industry in the United States for many years and look forward to continued growth within North America. The Bauer product line is the largest and most complete foundation offering in the world.

Very truly yours,

**BAUER PILECO INC
